WHO WE ARE?

Arab Equipment Company Ltd. was established in Dammam in the 1970. Initially to supply essential tools and other equipment to the nascent and burgeoning Saudi oil exploration industry.

Realizing the urge of the market, **Arab Equipment Company** promptly diversified and became the supplier of broader range of the choicest and the most reliable and reputable brand names of "Construction Equipment" & "Industrial Tools", all of them selected after carefully considering the market demand, enabling the company to service the needs of civil construction companies involved in the infrastructure buildup of Roads, Ports, Docks, Schools, Hospitals, Buildings & Houses. In 80's, **Arab Equipment Company** expanded its operations in the other major cities of the Kingdom of Saudi Arabia too, who were also experiencing gigantic economic & infrastructure development.

The construction and oil industry business have both changed and matured since 1970's and **Arab Equipment Company** has adapted to these changes, growing considerably in the process. In today's market, with the concept of being "The Solution Providers" in mind, **Arab Equipment Company** has the spread of activities encompassing the supplies of Heavy Construction Machinery, Material Handling Equipment, De-Watering & Process Pumps, Power Generators and Tower Lights, Welding Machines, Pipe Line Tools, Surface Cleaning Equipment and Chlorination Plants through its head office in Dammam and branches in Jubail, Riyadh & Jeddah.

Arab Equipment Company's philosophy is to provide a comprehensive "After Sales Service" to the clients with prompt delivery of spare parts, and provision of equipment backup support service. For off-the-shelf deliveries, we carry a very large stock of spare parts from small nuts and bolts to complete engines, at all our branches throughout the Kingdom. We are equipped with highly trained and skilled technical personnel and modern equipment at our service workshops at all our branches, which ensure prompt after sales service to our clients all across the Country.
